

Integrated Video-On-Demand (IVOD) Manufacturing Process Accelerator

Perforic LLC
955 Massachusetts Avenue, #309
Cambridge, MA 02139
info@perforic.com

Opportunity

Scale-up manufacturing processes that are mastered by a few and performed by many

Mission

To enable work teams with a video on-demand content library that will get the “Job Done Right The First Time™”

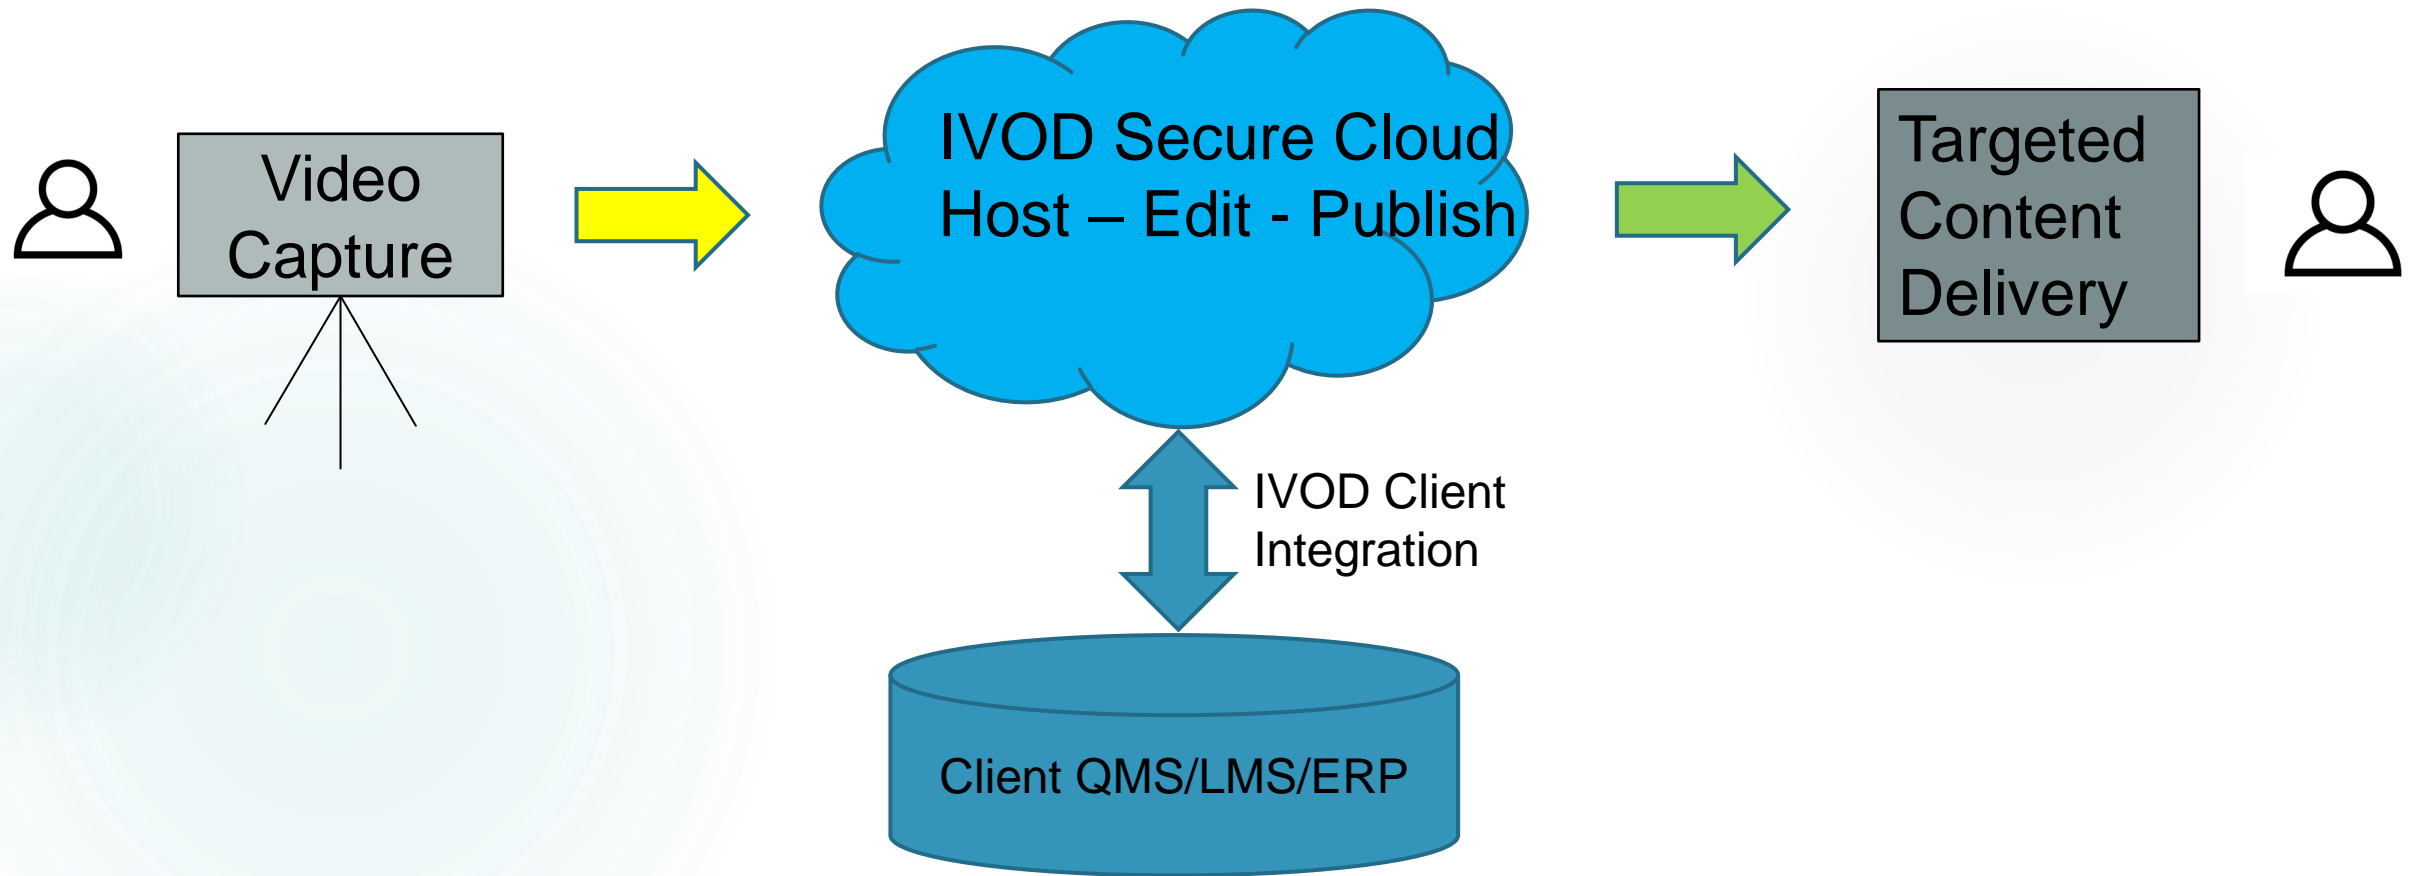

Vision

To be the global leader in integrated video-on-demand content accessible anywhere and anytime

Why Us

- ▶ Targeted easy-to-find process video solution
- ▶ Power in your hands to create custom content
- ▶ Services to augment solution
- ▶ Only secure video platform that integrates with backend systems

Content Management System - IVOD

IVOD is a Complete Process Video Solution in One Place

Security - IVOD

We understand security. The IVOD solution has following safeguards:

- ▶ SSL certificates to ensure safe connections
- ▶ Multi-factor authentication
- ▶ Strong passwords with expiration
- ▶ Identity and Access Management with least privilege
- ▶ No data stored on user device
- ▶ All video uploaded to secure cloud
- ▶ User administration by supervisor or trusted authority
- ▶ Logging of all actions to help with troubleshooting and auditing
- ▶ Data on cloud encrypted
- ▶ Data never shared with any third parties

Key Users – IVOD

IVOD Trainer Video

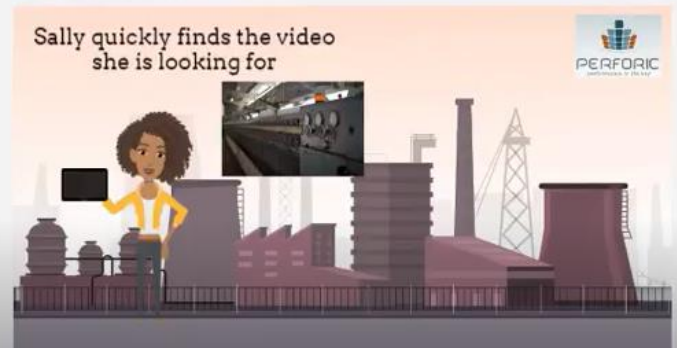

- ▶ Certified Employee: Records critical process video

IVOD Supervisor Video

- ▶ Quality, Engineer and/or Supervisor: Approves and annotates video content with text and audio

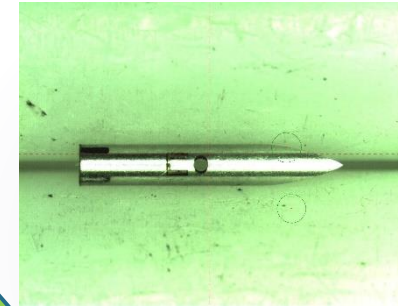

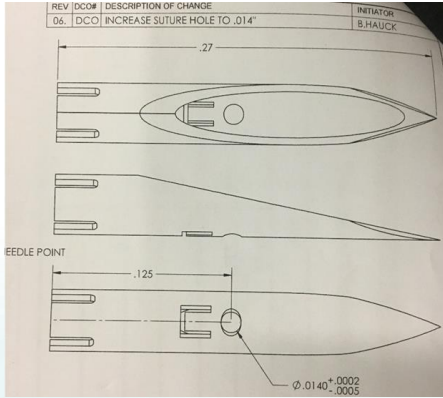

IVOD Trainee Video

- ▶ Learner: Reviews relevant content on-demand

Solution – IVOD

▶ Manufacturing Process Map from Part Drawing to Finished Product

Finished Product

▶ IVOD Enables the Capture and Playback of Key Process Steps for your Distance Learners

Solution Timing – IVOD

- ▶ TRAINING THE NEXT GENERATION: Forecasts predict a shortage of skilled manufacturing workers (i.e. baby-boomers will be at least 65 by 2030 per www.census.gov). Capturing ‘tribal knowledge’ is key
- ▶ UBIQUITY OF SMART DEVICES
- ▶ DISTANCE LEARNING

Services Model

- ▶ On the ground team for initial assessment
- ▶ Experienced professionals to help with user training
- ▶ Skilled individuals for video creation and editing
